

Native Plant Landscape Consultants

Provided by the Kinnikinnick Native Plant Society

The following list was compiled to include any local plantsman that offers on-site consultations for native landscapes and can recommend northern Idaho native plants for various site conditions. This list is provided as a service. Inclusion does not imply an endorsement by the Kinnikinnick Native Plant Society.

For a thorough listing of native plants suitable for landscaping, go to <http://www.nativeplantsociety.org/PDF%20Files/BonnerCtyPltList.pdf>
