December 2, 2008

Vice-President

Jim Stern
(208) 265-6733

To: Lake Pend Oreille Bio-control Project Partnership

Secretary

Konrad Dahlstrom
(208) 266-1107

Treasurer

Ken Haag
(208) 255-4413

Arboretum Manager

Sylvia M. Chatburn
(208) 263-2175

Founder

Lois Wythe
(208) 263-8038

The Kinnikinnick Chapter advocates for native plants, both terrestrial and aquatic, and their ecosystems. The Chapter encourages and supports the goal of the Partnership to implement research for alternatives to herbicide treatment in Lake Pend Oreille. We understand this to be a biological control pilot project using milfoil weevils indigenous to Lake Pend Oreille, and formulating an alternative pilot project in the event the weevil project is determined to be not viable.

Board Members

Adrienne Lilly
(208) 265-0693

Janice DeBaun
(208) 263-8970

Dennis Rieger
(208) 263-5947

Nancy Fontaine
(208) 255-7748

The Chapter further agrees to provide opportunities for educational outreach on the proposed project.

Carol Jenkins
